## Focus - Snack & Confectionery Merchandiser

Offering either 32 or 40 selections of chilled snack and confectionery items, the Focus provides the perfect shop front for any location. The machine is extremely easy to load with shelves that tilt to 45°. Each tray and column divider is adjustable to suit different sized products.

- Dual snack spirals provide a superior vend action
- Compact version is the ideal machine for locations where space is at a premium
- **SUREVEND™** product delivery sensor fitted as standard
- Programmable time events and free vend modules
- Compatible with leading M.D.B. and Executive coin & cashless systems
